Your Health Story

I would like for you to share with me your "health story". What this means is for you, in your own words, to tell me what you have been going through with your condition. Please, be **VERY SPECIFIC**, as this information is **CRUCIAL** for managing your condition correctly. If more space is needed or your hand writing is not neat, please type this out.

1. How long did it take for you to be diagnosed with your specific condition **AFTER** you started having symptoms?

2. What medications/treatments have you had in the past, are still doing/taking, and how did you feel with each one?

3. How often/frequent have you had to change or increase your medication?

4. Tell me your story (please include your **MAJOR** symptoms and how they affect **YOU**). Also, do you have a good support team to help your through a program that will change your life?

5. If you could paint a picture of how your body would look and feel if you didn't have your chronic condition, what would that picture look like?

6. What has been your past experience with the attempts at managing your condition?

7. What are you looking for in a doctor? What are you expecting of myself?

8. What is the first thing you would like to improve about your condition?

9. What do you expect from yourself if you are accepted into our natural program?

10. If your case is accepted, is there anything that would hold you back from beginning our natural program? If there is something, how do you foresee yourself overcoming that?
